

Thermory QuickDeck®

Building a deck is easy with the Thermory QuickDeck® collection. QuickDeck® offers a range of pre-fabricated deck tiles in two design options: Maxi and Mosaic. These deck tiles have weatherproof plastic support underneath which easily snaps to one another. The modules can be laid on even surface both indoors and outdoors.

Thermory QuickDeck®:

- Smooth decking surface with no visible screws
- Easy installation on solid ground (no tools, no screws needed)
- Exotic brown tone of Thermory Ash
- Chemical-free wood surface under the feet
- Highly durable wood due to thermal modification.

DECKING: QuickDeck®

PRODUCT	WOOD SPECIES	THICKNESS MM	WIDTH MM	LENGTHS MM PER PACK	THERMAL MODIFICATION
QuickDeck® Maxi	Ash	32	238	450/900/ 1350/1800	intense
